Chaos Guitars Third Annual Carnival of Chaos
Dates and Lineup Announced

Schnecksville, PA: The third annual Carnival of Chaos is being held in the beautiful Schnecksville Pennsylvania this year. Chaos Guitars started this music festival a few years back to put the spotlight on artists and their original music along with small business in the community. This all day event is packed with great music, small business vendors, food/drinks, games, and giveaways all to celebrate and bring together communities and help musicians and small businesses network and enjoy what they work so hard to create.

Chaos Guitars steps this event up a notch every year and this year is no exception “This year we are 3x’s the size with an additional 4 artists and 10 vendors plus food trucks, a beer garden and a bar” added Rose Kline, the owner of Chaos Guitars but the music is what this event is really all about “We want to see what musicians are creating not coping, I started this Carnival so original artists had a place to get their music in front of people and be heard in a place where it all feels like family and in a situation where the artist is treated like the rock star they are” that is the secret sauce to what they do according to Dave Kite the creator at Chaos Guitars.

The vendors this year are a mix of all types of products, the food trucks range from American to authentic Mexican plus desserts but what everyone wants to know is the music lineup:

- Bortality (Headliner)
- Undefeated
- Johnny B The Storyteller
- The Borderline
- Edgar Gorre and the Nevermores
- Bellwether Ritual
- Supersonic Godfathers
- Before The End
- Tommy Helmer (Between Act Entertainment)
- Kevin Smith (Between Act Entertainment)
